Bunge Limited to Hold Virtual-Only Annual General Meeting

St. Louis, MO – April 15, 2021 – Bunge Limited (NYSE: BG) will hold its Annual General Meeting of Shareholders on Wednesday, May 5, 2021 at 11:00 a.m. Central Time. As part of the Company’s effort to continue to maintain a safe and healthy environment at its Annual General Meeting and to protect the well-being of its shareholders, its employees and communities, this year’s meeting will be “virtual-only” and will be conducted exclusively online via live audio webcast that can be accessed at www.virtualshareholdermeeting.com/BG2021.

In order to vote their shares or submit questions at the Annual General Meeting, shareholders should enter the control number included in the proxy materials or on the proxy card. Online access to the webcast will open shortly prior to the start of the 2021 Annual General Meeting.

As described in proxy materials previously distributed, the record date for determining shareholders entitled to notice of, and to vote at, the Annual General Meeting and at any subsequent adjournments or postponements of the meeting was March 8, 2021.

All shareholders, whether or not planning to attend the Annual General Meeting, are encouraged to vote promptly in advance of the meeting by using one of the methods described in the proxy materials.

About Bunge

At Bunge (www.bunge.com, NYSE: BG), our purpose is to connect farmers to consumers to deliver essential food, feed and fuel to the world. With more than two centuries of experience, unmatched global scale and deeply rooted relationships, we work to put quality food on the table, increase sustainability where we operate, strengthen global food security, and help communities prosper. As the world’s leader in oilseed processing and a leading producer and supplier of specialty plant-based oils and fats, we value our partnerships with farmers to improve the productivity and environmental efficiency of agriculture across our value chains and to bring quality products from where they’re grown to where they’re consumed. At the same time, we collaborate with our customers to create and reimagine the future of food, developing tailored and innovative solutions to meet evolving dietary needs and trends in every part of the world. Our Company is headquartered in St. Louis,

Missouri, and we have more than 23,000 dedicated employees working across more than 350 facilities located in more than 40 countries.
